The Dead Girl

👁 40 ✓ 2 ★ 5

Chapter 1 by Jordan Heintz

A little girl is seen at the entrance of a house. In her hand she holds a bloody knife and 3 matches she picked up from a box in the forest. In her backpack she has laid on the floor, you see an arm coming out of the front pocket, and a ribcage covered in blood in the side.

Not many actually know who she is, or who she killed. All they knew was that she was an outcast at one point, and had no friends. Maybe she had just finally decided, It was time for revenge.

"The Dead Girl" is what they called her because she was always quite pale. Betraying friends was her only hobby, and afterwards they disappeared. They said "The Dead Girl" killed them, and stored them in her basement.

Seeing as the 8 year old didn't know what to do, she quietly lived her life in her room. Now she's killed somebody and that is certain. The girl shaking with fear... She knows what she must now do.
